

## 5 Steps to Obtaining Your Maine Journeyman Plumber License

### Step 1. Sign up for the exam.

The first step in the licensing process is to pass the exams. In order to qualify to take this exam, applicants must meet the following requirements:

- A minimum of at least two years with 4,000 hours of work in the field of plumbing installations as a licensed trainee plumber under the supervision of a licensed master plumber, or the equivalent thereof; or
- Successfully complete a one-year plumbing training program at a Maine Technical College. Upon successfully passing the journeyman examination, candidate must apply for and receive a Journeyman-in-Training license to gain the required licensed practical experience to be eligible for licensure as a journeyman plumber.

For applications and detailed information about eligibility requirements, contact:

Plumbers' Examining Board  
Office of Licensing and Registration  
35 State House Station  
Augusta, Maine 04333  
Tel: 203-624-8627  
<http://www.maineprofessionalreg.org>

Once you have been approved by the Board to sit for an examination, you will be notified in writing of the procedure to schedule your examination appointment.

The Department of Professional and Financial Regulation has contracted with Thomson Prometric (formerly Experior Assessments) to proctor its examination program. Thomson Prometric provides computerized examinations through the multistate Prometric Testing Network of testing centers. You may test at any Prometric testing center across the United States. All requests for information about examinations should be directed to:

Thomson Prometric  
1260 Energy Lane  
St. Paul, MN 55108  
Tel: 800-343-6001  
Fax: 800-347-9242  
<http://experioronline.com/meconstruction.htm>

Exam and License fees: There is a license fee of \$75.00 for Journeyman Electrician. The application fee is \$25.00. In addition, there is a criminal background check fee of \$15.00. A license is valid for a two-year term based on first licensure date.

**Reciprocity** - The Plumbers' Examining Board shall issue a license to any person who files a sworn application and is licensed by another state or territory of the United States that has a reciprocity agreement with the State of Maine. The State of Maine presently has a reciprocity agreement with New Hampshire.

## **Step 2. Purchase the required books for your exam.**

To find out what documents and books the State of Maine requires for this exam, follow this link to the list of documents and books on your state's exam page of our website:

<http://www.constructionbook.com/contractor-license/maine/index.asp>. You must purchase these documents and books in preparation for the exam and bring them with you on testing day for the open book portions of the exam.

## **Step 3. Start studying!**

To fully prepare for your exam it is best to thoroughly study the required documents and books, as well as any recommended studying materials. The amount of preparation time needed will be different for each individual. Be sure to allow yourself enough time to fully prepare for the exam.

## **Step 4. Follow the rules.**

You MUST bring the following to the test center:

- Current driver's license, passport, military or state-issued identification card (Government or State-issued identification only). You will not be permitted to test without proper identification.

The following regulations and procedures will apply during the exam:

- Cell phones, cameras, tape recorders, pagers, and guests are not allowed in the examination site. This policy is strictly enforced.
- Non-programmable, non-printing, silent, battery-operated, non-alphabet key calculators will be permitted. Calculators will be available at the test center.
- Candidates who engage in any kind of misconduct or disruptive or offensive behavior, such as giving or receiving help, taking part in an act of impersonation, removing test materials or notes from the testing room, rude or offensive language, or behavior that delays or interrupts testing, may be dismissed from the examination.

## **Step 5. Good luck on the exam!**

It is best that you arrive at the examination site at least 15 minutes prior to your scheduled exam time on the day of testing.

The trade exam is a closed-book, multiple-choice format. This is a timed test with 100 questions. A score of at least 70% is required to pass the exam. The exam is broken down into the following subject areas:

<b><u>Subject area</u></b>	<b><u>Percentage of Exam</u></b>
Code, General Knowledge	22
Installation Practices, Methods and Materials	16
Drains, Vents, and Sewers	16
Water Supply and Backflow Prevention	16
Special Wastes and Roof Drains	10
Fixtures and Trim	5
Excavation	5

Inspection and Testing	5
Alternate Systems of Plumbing	5
