

5 Steps to Obtaining Your New Hampshire Journeyman Plumber's License

Step 1. Sign up for the exam.

Qualifications: To qualify for the journeyman's licensing exam you need to complete a Board-approved apprenticeship program that includes four years of work experience and four years of education. All Master and Journeyman exams are given through a private testing agency. Once you complete an application to take the exam and it has been approved, you will be sent the necessary information to register for the exam.

Contact the Plumbers' Licensing Board at:

State Board for Licensing and Regulating Plumbers
2 Industrial Park Drive
P.O. Box 1386
Concord, NH 03302-1386
(603) 271-3267
<http://www.state.nh.us/plumbing/>

Exam and License Fees: There is a \$25 fee to take the Journeyman Plumber's Exam. Once you pass the exam, there is an additional \$125 non-refundable license application fee

Step 2. Purchase the required books for your exam.

To find out what documents and books the State of New Hampshire requires for this exam, follow this link to the list of documents and books on your state's exam page of our website: <http://www.constructionbook.com/contractor-license/new-hampshire/index.asp>. You must purchase these documents and books in preparation for the exam and bring them with you on testing day for the open book portions of the exam.

Step 3. Start studying!

To fully prepare for your exam it is best to thoroughly study the required documents and books, as well as any recommended studying materials. The amount of preparation time needed will be different for each individual. Be sure to allow yourself enough time to fully prepare for the exam.

Step 4. Follow the rules.

Candidates should bring the following items to the examination:

- Current, valid, government-issued photo ID, such as a driver's license or passport;
- Admission letter;
- Silent, battery powered or solar powered calculator. No tape-producing calculators are allowed;
- Approved reference materials.

Step 5. Good luck on the exam!

It is best that you arrive at the examination site at least 30 minutes prior to your scheduled exam time on the day of testing.

This exam is made up of 100 multiple-choice questions covering the following subject areas:
