

5 Steps to Obtaining Your South Carolina Fire Alarm Contractor's License

Step 1. Sign up for the exam.

The first step in the licensing process is to pass the exams. In order to qualify to take the test, you must have two years of experience within the last five years. You may contact the South Carolina Contractors' Licensing Board at:

South Carolina Contractors' Licensing Board
PO Box 11329
Columbia, S.C. 29211
Phone (803) 896-4686
<http://www.llr.state.sc.us/POL/Contractors/>

Fire Alarm Contractors are also required to pass the Level II Certification for Fire Alarms from the National Institute for Certification in Engineering Technologies (NICET). Contact information listed below.

National Institute for Certification in Engineering Technologies (NICET)
1420 King St.
Alexandria, VA 22314-2794
1-888-IS-NICET
www.nicet.org

Fees: The Fire Alarm Exam fee is \$60, and the cost to obtain the license is \$200.

Applications will be processed in 2 to 4 weeks from the time they are received. Exams are administered by PSI Exam Services, and SC testing sites are located in Greenville/Spartanburg, Columbia, Charleston, Beaufort/Hilton Head, Myrtle Beach, and Charlotte. To get an application for a license, contact PSI Exams at:

PSI Examination Services
3210 E. Tropicana Ave.
Las Vegas, NV 89121
(800) 733-9267
www.psiexams.com

Once you have passed your test, you must submit an application to the state licensing board with documentation of your experience, financial information, and your passing test scores.

South Carolina currently does not have a reciprocity agreement with any other states for this license.

Step 2. Purchase the required books for your exam.

To find out what documents and books the State of South Carolina requires for this exam, follow this link to the list of documents and books on your state's exam page of our website: <http://www.constructionbook.com/contractor-license/south-carolina/index.asp>. You must purchase these documents and books in preparation for the exam and bring them with you on testing day for the open book portions of the exam.

Step 3. Start studying!

To fully prepare for your exam it is best to thoroughly study the required documents and books, as well as any recommended studying materials. The amount of preparation time needed will be different for each individual. Be sure to allow yourself enough time to fully prepare for the exam.

Step 4. Follow the rules.

The following security procedures will apply during the exam:

- Cell phones, pagers, and guests are not allowed in the examination site. This policy is strictly enforced.
- Any individual papers that are not part of a paper-back, ring-binder, spiral binder, or loose leaf binder type of book, or part of a multi-paged CMR, MGL, UL, or NFPA documents as described in this section MUST be removed prior to entering the examination area.
- Non-programmable, non-printing, silent, battery-operated, non-alphabet key calculators will be permitted.
- Copies of the books and references required for the open-book portions of the exam will be admitted into the exam room. They may be tabbed or un-tabbed and may contain highlighted or underlined sections or paragraphs of the original text.

Step 5. Good luck on the exam!

It is best that you arrive at the examination site at least 15 minutes prior to your scheduled exam time on the day of testing. Be sure to bring at least one form of valid picture identification that has been issued by a state or federal authority.

There are 50 questions on this open-book examination. You will be required to answer 35 questions correctly in order to pass. You will be given 3 hours to complete the exam.

All Fire Alarm Contractor candidates are required to pass the Alarm Code of Laws Examination and the Fire Alarm Examination.
